CORRIGENDUM

Correction to: Arco et al., Cloning, expression and biochemical characterization of xanthine and adenine phosphoribosyltransferases from *thermus thermophilus* HB8

Arco JD, Martinez M, Donday M, Clemente-Suarez VJ, Fernández-Lucas J. (2017). Cloning, expression and biochemical characterization of xanthine and adenine phosphoribosyltransferases from *thermus thermophilus* HB8. *Biocatalysis and Biotransformation*. <http://dx.doi.org/10.1080/10242422.2017.1313837>.

When the above article was first published online, the genus name in the title was given as "*thermus thermophilus*" instead of "*Thermus thermophilus*", and in the subsection "Substrate specificity" the enzyme described by Esipov et al. (2016) was mentioned as "TtAPRT1", whereas according to NCBI genome, the enzyme must be named as TtAPRT2. The above has been corrected in both online and print versions.
