Hispania Epigraphica es una serie periódica de actualización bibliográfica y de reseña crítico-científica de las publicaciones novedosas sobre epigrafía latina, griega y en lenguas paleohispánicas de la Península Ibérica hasta época visigoda incluida. Se elabora en el Archivo Epigráfico de Hispania por un nutrido equipo de investigadores, técnicos y colaboradores, asesorados por un comité científico internacional.

---

**Isabel Velázquez** es catedrática de Filología Latina de la Universidad Complutense de Madrid y directora del Archivo Epigráfico de Hispania y de la serie Hispania Epigraphica. Es especialista en epigrafía y textos latinos de época tardoantigua y medieval, autora y editora de más de una veintena de libros y de más de cien artículos y capítulos de libros.
