(Received 21 June 2013; published 27 June 2013)

This paper was published online on 28 May 2013 with an incomplete author affiliation and an omission in the Acknowledgment section. The fourth and fifth authors' affiliations should read as given above.

On page 8, the statement "M. E. R. wishes to thank PPGF of the UFPA for the hospitality during the development of this work and CNPq for partial financial support." has been added to the Acknowledgment section. The paper has been corrected as of 20 June 2013. The text is incorrect in the printed version of the journal.
